About the Cross Reference Guide

This cross reference document was prepared from latest published information. Use this cross reference as a guide only for the selection of similar products. Competitor's products may differ in size and performance from Mersen (formerly Ferraz Shawmut) products. It is recommended that each application be checked for suitable electrical and mechanical characteristics before substituting. Mersen is not responsible for misapplication of its products. Contact Mersen for items not listed.

Notes: These Mersen catalog numbers are different in Canada and the U.S. as follows:

U.S. OT (15-60)

Canada: OTN (15-60)

Fuse Blocks: Substitutions will accommodate the same class of fuses, fuse block dimensions and mounting holes may vary slightly.
